

STUDENT SURVEY FORM ON THE COURSE

I. PURPOSE OF THE SURVEY

This survey form is used for the following purposes:

- Assess the level of attainment of learning outcomes for the course;
- Assess the alignment between objectives, content, teaching methods, and assessment.
- Gather student feedback to improve courses and programmes.

II. GENERAL INFORMATION (ANNOYAL – REQUIRED)

- Field of study/Program:
- Course Name – Course Code:
- Semester – Academic Year:
- Learning format: ☐ In-person ☐ Online ☐ Blended

III. INSTRUCTIONS FOR ANSWERING

Students rate using a **5-point Likert scale** :

Level	1	2	3	4	5
Meaning	I strongly disagree.	Disagree	Normal	Agree	I completely agree.

IV. SURVEY CONTENT

4.1 Course Objectives and Learning Outcomes

1. The course objectives are clearly stated at the beginning of the semester.
2. The course learning outcomes are aligned with the programme learning outcomes.
3. The course learning outcomes fully reflect the knowledge, skills, and professional attitudes acquired.
4. I clearly understand the competencies required upon completion of this course.

4.2 Course Content and Structure

5. The course content is logically organized and systematic.
6. The amount of knowledge is appropriate for the number of credits and the duration of study.
7. The course content is up-to-date and relevant to industry practices.
8. The link between theory and practice is clearly demonstrated.

4.3 Teaching Methods

9. The teaching method encourages active student participation.

10. The academic staff use a variety of teaching and learning methods (discussion, exercises, projects, etc.).
11. The teaching methods helped me develop critical thinking and self-learning skills.
12. The instructor conveyed the key points clearly and understandably.

4.4 Methods for evaluating learning outcomes

13. The assessment method is consistent with the learning outcomes of the course.
14. The criteria and scoring system are clearly published.
15. The assessment methods accurately reflect my learning outcomes.
16. I received timely and valuable feedback that helped improve my learning.

4.5 Learning Conditions and Student Support

17. The learning materials meet the requirements of the course.
18. LMS systems/digital platforms effectively support learning.
19. The facilities, classrooms, and learning equipment are appropriate.
20. I received timely support from the lecturers and the school.

4.6 Overall Assessment

21. This course helped me acquire the necessary skills.
22. I am satisfied with the quality of organization and teaching of the course.

4.7 Open-ended questions (Required for improvement)

23. The most outstanding strengths of this course are:
24. Areas/activities that need improvement:
25. Specific suggestions for improving the quality of the course:

V. ANALYZING RESULTS (FOR IQA – NOT DISPLAYED TO STUDENTS)

- Score of ≥ 3.5 : Meets requirements
- Score < 3.5 : Needs improvement
- Content with $\geq 20\%$ negative feedback → include in the course improvement plan.
